

2026 FPHA SPONSORSHIP PACKET

The Florida Public Health Association (FPHA) is excited to invite you to join us as a valued sponsor for 2026. This packet outlines dynamic opportunities to connect with public health professionals, students, and community leaders.

The Florida Public Health Association's Annual Educational Conference brings together public health professionals, students, researchers, and community partners from across Florida to learn, connect, and collaborate. The 2026 conference will highlight innovative practices, emerging research, and real-world solutions that strengthen public health systems and improve health outcomes statewide.

Through a mix of general sessions, breakout sessions, poster presentations, and networking opportunities, FPHA creates space for meaningful dialogue across disciplines and communities. A dedicated *Rural Health Track*, developed in collaboration with the Florida Rural Health Association (FRHA), will spotlight issues, solutions, and partnerships relevant to Florida's rural communities.

Why Participate?

Sponsoring the FPHA Annual Educational Conference provides your organization with:

- Visibility among public health leaders and practitioners statewide
- Opportunities to showcase your work, services, or solutions
- Meaningful engagement with professionals committed to improving health outcomes
- Recognition before, during, and after the conference

2026 FPHA Annual Educational Conference (AEC)

Committing to Excellence Through Collaborations & Continuity

Meet and network with public health professionals, decision-makers, and community leaders focused on strengthening cross-sector collaborations, sustaining proven public health practices, and ensuring continuity in efforts that drive lasting improvements in health outcomes across Florida.

Dates: July 29th & 30th, 2026

Location: Embassy Suites by Hilton Orlando – Lake Buena Vista South

Address: 4955 Kyngs Heath Rd, Kissimmee, FL

We look forward to the opportunity to collaborate with you throughout 2026.
